

# Coastal Creation Care

God made the heavens, the earth, and the seas—and our beautiful Louisiana wetlands. He calls us to care for creation.

We must respond to Louisiana's coastal crisis. If we act now, we can save the wetlands and wildlife that are central to our culture and vital to our economy.

In 2017, Louisiana's Coastal Protection and Restoration Authority will release the new "Comprehensive Master Plan for a Sustainable Coast." It will guide critical restoration actions through the next five years.

---

Sign up to support science-based restoration of the coast through the state's Coastal Master Plan.

Visit [MississippiRiverDelta.org/sign-up](https://MississippiRiverDelta.org/sign-up) to join in the fight to restore Louisiana's coast.

---

## Ezekiel 47: 9

Wherever the river goes, every living creature that swarms will live, and there will be very many fish, once these waters reach there. It will become fresh; and everything will live where the river goes.
